6:54: MISSION TIME CHECK: Christians in the United States are carefully watching the US Congress. There could be legislation coming to lift the ban on travel to Cuba for the first time in nearly 50 years. While some do not wish to legitimize the island's communist government, some believers see a golden opportunity for evangelism. Please pray that a possible lifting of restrictions on Cuba would not only bring material aid – but spiritual aid as well. In Havana, Cuba, and in Cleveland, Ohio the time is 6:55am... here's Moody Radio news with Gary Bittner.

7:15: At around 5:20 this afternoon, fall arrives. Yesterday in parts of the Rocky Mountains they decided to skip fall altogether.
