“A Christian leader is not a leader because he announced a new idea and tries to convince others of its worth; he is a leader because he faces the world with eyes full of expectation, with the expertise to take away the veil that covers its hidden potential.” – Henri J.M. Nouwen

To be honest, looking up doesn’t make life’s challenges and problems go away. Yet gazing into heaven reassures me that God still is I AM, and that His greatness, goodness and God-ness is the best lens through which to view every day of my life.
