6:54: MISSION TIME CHECK: Truck drivers in Mozambique pulled to the side of a logging road and parked their rigs so they could watch the *Jesus* film being shown on a bedsheet in a remote village. The Campus Crusade Director for Mozambique, Arnold Nzova, says the isolated villages of northwestern Mozambique are home to the Nhungwe people, and their ancient practices of ancestor worship and witchcraft. Still, the *Jesus* film breaks through the spiritual darkness, and continues to bring men and women to Christ. Pray for Campus Crusade teams that show the *Jesus* film around the world – in dozens of languages – every day. In the Maputo, Mozambique, the time is 1:55pm...in Cleveland, Ohio, the time is 6:55am... time for Moody Radio News with Gary Bittner...

7:15: This morning’s *Canton Repository* carries the sad news that Stefanie Spielman has gone home to be with the Lord at the age of 42 after a 10-year battle with breast cancer. Stefanie (Jackson HS) and her husband Chris (Massillon) were sweethearts since high school. Chris ended his NFL career as a member of the Browns early once his wife was diagnosed in 1999.

“A Christian leader is not a leader because he announced a new idea and tries to convince others of its worth; he is a leader because he faces the world with eyes full of expectation, with the expertise to take away the veil that covers its hidden potential.” – Henri J.M. Nouwen

To be honest, looking up doesn’t make life’s challenges and problems go away. Yet gazing into heaven reassures me that God still is I AM, and that His greatness, goodness and God-ness is the best lens through which to view every day of my life.
